COAT OF ARMS

In Medieval times the Coat of Arms was placed on banners and shields to signify a knight's allegiance. On it was a representation of their lord's heritage, values, and accomplishments. It was used to identify friends and foes during battle.

Here is how you should create your coat of arms.

- Section 1:** Draw an animal that you feel represents you
- Section 2:** Draw a picture of your greatest accomplishment
- Section 3:** Draw a picture of what you see yourself accomplishing in life
- Section 4:** Draw a picture of your most prized possession
- Section 5:** Draw a symbol of your strength that is not an animal
- Section 6:** Draw a picture of one of the most important people to you in the world and label them
- Remember:** Fill every space completely. This way, each section will work together to make a whole composition.
