

Midwest Academy offers a variety of summer experiences for our students. Many of these activities are an extension of some of our most popular school year programs while others allow us to take advantage of the longer summer months to help our students sustain and progress academic fundamentals.

As always, our focus for our summer programming is to enrich our students with opportunities to continue to connect, enjoy, grow, and develop with their known peer group and staff throughout the summer months. Summer is a time for a break from the school year, but it is also a great time to try new things, explore interests, and grow talents.

This table provides a brief date/time view of our summer programming options. A more detailed description of each program follows the table.

Jun 5-9	<b>Math &amp; Art Summer Program (Session 1) with Mr. Aiyasami and Miss Browning</b>	
9:00am-12:00pm	The Math & Art Summer Program is designed to help students discover essential math skills through creative expressions in art form. During camp, students will learn several math concepts and then express them in art form: sequence, order, patterns, counting, geometry and measurement. Depending on the art project, campers may work individually, with a partner or in a group. All math/arts projects are hands-on! All campers will explore, discover and have fun creating artwork!	
	<b>Ages: 10-13</b>	<b>Min 4/Max 10. Cost \$125.</b>

Jun 5-9	<b>Stop Motion Video Camp with Miss Browning</b>	
1:00-4:00pm	Have you seen <i>Kubo and the Two Strings</i> , <i>Coraline</i> , or <i>Wallace and Gromit</i> and wondered, "How in the world did they make that?" Join us, and discover the amazing world of stop motion video! You can write your own script, pick your own medium and make your very own movie. We will use Legos, Claymation and anything else you can dream up to help your creations come to life!	
	<b>Ages: 14-18</b>	<b>Min 4/Max 10. Cost \$100</b>

Jun 6-Jul 13	<b>Orton-Gillingham Tutoring with Mrs. Elsener-Hasty</b>	
9:00am-11:00am	A small group of qualifying students will meet for Orton-Gillingham based tutoring twice per week (Tuesdays and Thursdays) for 4 weeks. Orton-Gillingham is a multisensory approach to teaching foundational reading, spelling and writing. To ensure this learning approach is right for your student and to individualize the lessons, your student will need to participate in an initial assessment. Please contact Mrs. Elsener-Hasty at <a href="mailto:selsener@mymwa.org">selsener@mymwa.org</a> prior to registration.
